

## Helpers Needed!

Enjoy a "jump" on the best selection of drop off times and dates and the best bargains at your own afternoon of shopping by being a helper before, during, or after the sale! Helpers who work either 3 or 6 hours shop before the doors are opened to consignors and the public. Also, if you contact us on the first open registration day for Helpers (July 21) we guarantee you a consignor drop off time. We have many different types of tasks to offer and will try to find one to meet your interests and schedule. Helper shifts are available from Aug. 16-30th.

## Vendor Opportunities

- **Indoor Vendor Avenue:** For a fee of \$100, vendors have the opportunity to display and sell new merchandise, such as toys, books, specialty items, etc. in the arena. Vendors must supply their own tables, etc.

**FOR EVERY SEASON Consignment Sale** truly is a unique experience for our consignors, our helpers, our customers, and our vendors. We began this family business more than eight years ago with an ambition to be the best consignment event and believe that we have achieved that goal with our friendliness, honesty, organization, efficiency, and faith. Every decision we make has the people we serve in mind— the convenience of consignor and helper registration, the ease of item drop-off and pick-up, the display of items on racks and tables for better shopping, and the efficiency of our check-out. We believe that these efforts are what set us apart and motivated readers of *The Herald* newspaper for the **Fourth** straight year to vote us **BEST Consignment Shop** in York, Lancaster, and Chester counties!

**2. Prepare your consignment items and price tags**

for 60% of the sale price. Select only those items in gently used condition, and those NOT on the Consumer Product Safety Commission's list of recalls. You should verify that by visiting www.cpsc.gov or calling 1-800-638-2772.

**3. Choose your preferred tag method**

a. **For Every Season's Consign Design Tags:** This program (free to you), designed especially for For Every Season consignors, offers a user-friendly system that converts your information into our tag requirements with one click of a button. Simply contact us for our username and password, and then follow all the complete downloading instructions from our website: On our homepage, select the "Consignment" heading; then select "Tagging instructions" for the *Consign Design* tags!

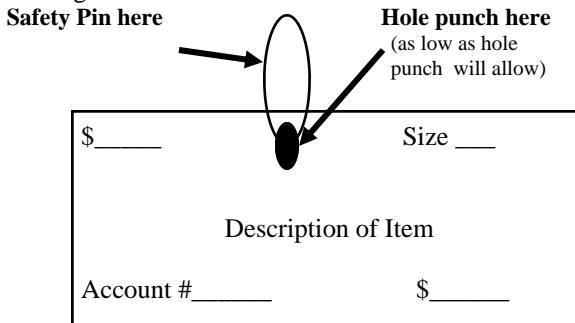

b. **Computer generated tags:** If you would like to complete your price tags using your computer without a download, simply use our tag template. Visit our website at www.foreveryseason.net, then choose "consignment heading," and finally click the option "Tagging instructions." You will see this option for tagging your items.

c. **Handwritten Tags:** Please use a 3 x 5 white index card with the price, consignor account #, and numerical size written in ink.

These requirements apply to each method:

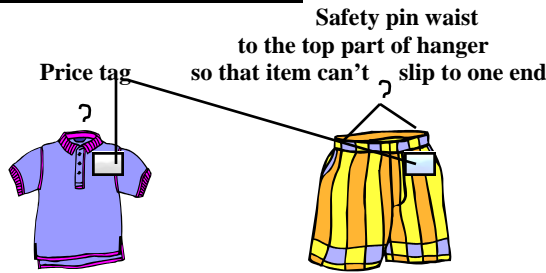

- Prices should be on the dollar or half dollar (\$5.00 or \$5.50) and all sizes should be numerical. (Use only S, M, L, XL for maternity.)
- Tags should be on 64 lb or heavier weighted card stock /index cards and items remaining full priced must have entire information in RED ink (not just price).

- For security reasons, we do not accept incorrect size, placement, altered tags (scratched out, wite-out, labels, etc.) or any other incorrectly prepared price tags. Please visit the website for more details, or ask us if unsure!!
- All three methods should produce identical looking tags:

- Hole-punch a hole in the center of the top of the price tag. Safety pin the price tag vertically (up & down) through that center hole to the garment as shown. (No straight pins accepted.)

**Attach tags exactly as shown:**

**Apparel/Clothing:** Fall & Winter clothing should be freshly cleaned, ironed, and on hangers, with the open end facing left (as shown above.) Two-piece outfits should be labeled "2-pc." on one price card and have the garments fastened together with safety pins waist to shoulders, back-to-back, on one hanger. Clothing items include playwear, dress clothes, jackets, coats, raingear, sportswear, sleepwear, school uniforms, scouting/karate uniforms, Holiday attire, etc.

**Shoes:** Tie shoes together using string and attach price tag to shoes with a string tied through the buckle or loop of shoes. Shoes include athletic and dress shoes, swim shoes, cleats, dance, bedroom shoes, rain boots, etc.

**Accessories:** Items such as hair bows, neck & bow ties, belts, tights, socks, caps, etc., should be placed in a sealed plastic bag if sold in sets. Place price tag in the inside of the plastic bag where it can be seen. Please do not staple tag.

**Books, DVD's, & Electronics:** Items must be clean and in good working condition. Attach price tag by string or safety pin if possible. (Use tape only if necessary.) Books may be placed in bags with price tag on the inside of bag or tied together with string (like a package) with price tag tied to front. Electronic equipment must be up-to-date and includes Game Cube, PS2, XBOX, Wii, handheld games, TV plug-ins, etc. We do not accept VCR or cassette tapes, computers, TVs, etc. at this sale.

**Outdoor & Indoor Toys:** Items include swimming pools, sandboxes, playhouses, kitchen sets, bikes, ride-on toys, books, puzzles, games, art sets, sporting equipment, skates, safety equipment, etc. Only battery-operated or licensed character (ex. Clifford, Arthur, etc.) stuffed animals will be accepted. Battery-operated toys/equipment must have working batteries in them. Tie (not tape, if possible) tag to item.

**Baby Equipment/Furniture:** Items include cribs, bassinets, changing tables, rockers, gliders, high chairs, strollers, swings, bouncy seats, lamps, bedding, car seats, etc. Tie (not tape, if possible) tag to item.

4. **Drop off (by appointment only)** your prepared clothing and other items to the Trader Marc's Expo Center for review and placement on racks and tables beginning at 9:00 am on Thurs., Aug. 19 and ending at 3:15 pm Sun., Aug. 22. This should take no longer than 30 minutes if items and tags are prepared properly. We cannot accommodate early or late arrivals for drop-off.
